**HOT WATER THE
BEST LIVER AND
BOWEL MEDICINE**

SAYS GLASS OF HOT WATER BE-
FORE BREAKFAST WASHES
POISON FROM SYSTEM.

Physicians the world over recom-
mend the inside bath, claiming this is
of vastly more importance than out-
side cleanliness, because the skin
pores do not absorb impurities into
the blood, causing ill health, while the
pores in the ten yards of bowels do.

Men and women are urged to drink
each morning, before breakfast a glass
of hot water with a teaspoonful of
limestone phosphate in it, as a harm-
less means of helping to wash from
the stomach, liver, kidneys and bowels
the previous day's indigestible ma-
terial, poisons, sour bile and toxins;
thus cleansing, sweetening and purify-
ing the entire alimentary canal be-
fore putting more food into the stom-
ach.

Just as soap and hot water cleanses
and freshens the skin, so hot water
and limestone phosphate act on the
eliminating organs.

Those who wake up with bad
breath, coated tongue, nasty taste or
have a dull, aching head, sallow com-
plexion, acid stomach; others who are
subject to bilious attacks or constipa-
tion, should obtain a quarter pound of
limestone phosphate at the drug store.
This will cost very little but is suffi-
cient to demonstrate the value of in-
side bathing. Those who continue it
each morning are assured of pronounced
results, both in regard to health
and appearance.

In time of kidney danger Doan's
Kidney Pills are most effective.

Plenty of Pendleton evidence of
their worth.

Mrs. William McGregor, 711 Lu-
ceth street, Pendleton, says: "I was
troubled more or less all my life by
weakness of my kidneys. My hands
and feet swelled and sometimes my
whole body bloated. A steady pain
in the small of my back and sides an-
noyed me and when doing my work
it was hard for me to straighten after
stooping. When I did stoop, sharp
twinges shot through my back and
sides. Dismy spells and headaches
were common and I couldn't rest
well. Mornings I felt all tired out.
I tried a great many medicines and
spent a great deal of money on doc-
tors' treatment, but got no relief.
Doan's Kidney Pills, however, cured
the aches and pains in my back and
regulated the action of my kidneys."
Price 50c, at all dealers. Don't
simply ask for a kidney remedy—get

Fall Wheat is Doing Well

Reports Show the
Standing of Grain
Throughout Oregon

PORTLAND, Ore., April 20.—Follow-
ing is a summary of the crop con-
ditions in Oregon for the week end-
ing April 15, 1916, as reported to
the local office of the weather bureau by
special correspondents throughout the
state:

While the weather during the week
was cool and showery and there was
less sunshine than usual, the crops are
all in a healthy condition and making
satisfactory progress. Fall wheat, al-
falfa and pastures have done especially
well, and while spring sown crops
have made little progress, they have
done as well as could be expected un-
der the existing conditions. The soil
is in splendid condition for plowing.
Most of the spring crops have been
sown, and the farmers are now push-
ing their summer fallowing work in
the fall grain sections of the state.
Even in the dry farming counties the
reports received state there is a plen-
tiful supply of moisture in the soil,
and the only thing needed is warmer
weather to start satisfactory growth.
The ranges have improved greatly
during the week, and stock is rapidly
taking on flesh.

Fruit bloom is unusually heavy and
where early the fruit has set well.
Hood River apples are now in "the
pink," and soon will be in bloom. No
serious frost damage occurred dur-
ing the week.

Coarse Grains in Stronger Position in the Northwest

INTERIOR MARKETS ARE FIRM-
ER FOR BOTH OATS AND
BARLEY HERE.

PORTLAND, Ore., April 20.—Wheat
prices were again bearish at leading
world's centers. At Chicago early
quotations were depressed and lower,
while Liverpool was just steady.

Locally, the trade continues at low
ebb. There is some liberal bidding for
oats and barley in the interior, with
a small amount of business in both
branches of the coarse cereal trade,
but generally speaking growers are
as tight holders of oats and barley as
of wheat.

Broomhall cabled from Liverpool
that the wheat market was dull but
steady, with some covering as influ-
enced by strength at Winnipeg. Spot
unchanged. Cargo market steadier.
Manitoba and winter both 3d dealer.
Plates and Australians unchanged,
but steadily held. Arrivals continue
large. Expectations point to contin-
ued large arrivals, with steady in-
creasing stocks, but some apprehen-
sion is felt regarding tonnage, owing
to submarine activity.

Argentine weather unsettled, with
wheat receipts decreasing. Rain in-
terferes with the movement.
Buenos Aires wheat steady, with
good support in June.

American crop accounts are unfa-
vorable, and apprehension is felt re-
garding spring area. This deters short
selling. Canada's production is likely
to equal last year's.

World's production of new crop will
be short, but supplies of old wheat are
so large that it is difficult to conceive
an advance in prices between now and
next harvest.

Severe Breaks in Stock Market on Foreign Situation

NEW YORK, April 20.—The most
severe break in several weeks was
recorded in the stock market at the
opening yesterday. The serious
aspect of the German situation, aug-
mented by President Wilson's ultim-
atum, operated for lower levels in
nearly all the standard issues. As a
class the specialties held best against
the pressure, and in one or two in-
stances fractional gains were scored,
while the balance of the list was
breaking.

The rails were from 1-2 to 1 point
under at the opening. Aside from
Reading, little improvement was
noted during the course of trading. Read-
ing opened fractionally under, and
while it failed to recover in the first
hour, its trend was healthy, consid-
ering the heavy selling pressure.

The steel issues were hard hit. Cru-
cible started out 3-5 below Tuesday's
close; Lackawanna lost 3 points al-
most immediately following the open-
ing, and United States Steel opened at
\$2, 1 point off, and suffered still fur-
ther losses.

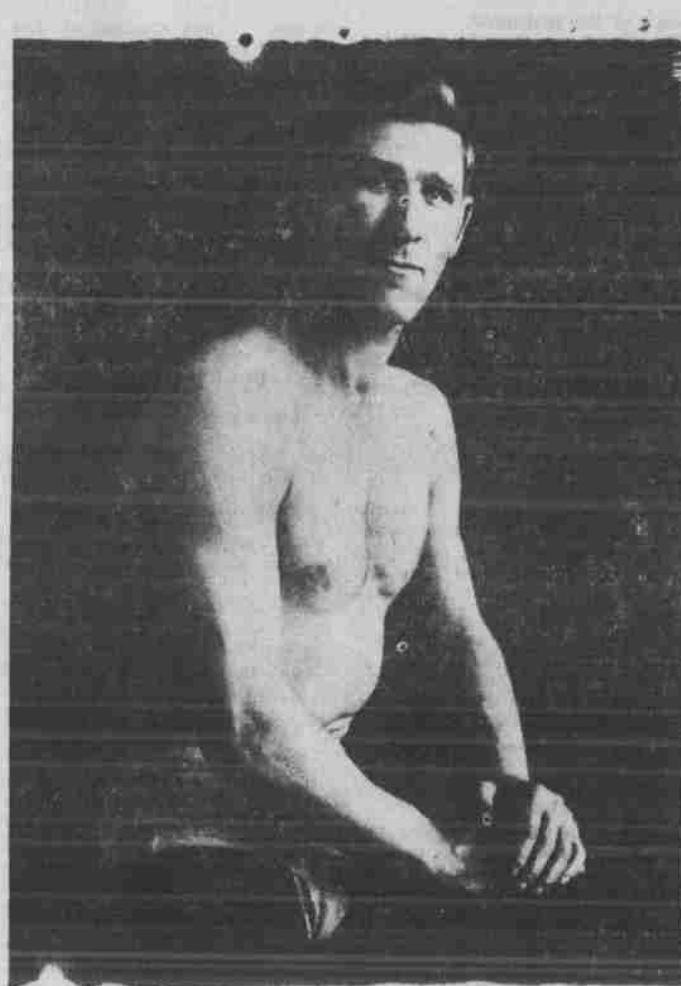

Butte & Superior was strongest and
most active of the copper issues, op-
ening at 99 1-4, and going above 91 at
first. Zinc was a sharp loss. Both
Locomotive stocks opened more than
1 point under, and sustained 2-point
losses in the early trading. Mexican
Petroleum reflected the general un-
settled condition of affairs by open-
ing 2 points down and failing to hold
firm to heavy trading.

CARRY STOMACH JOY IN YOUR VEST POCKET

Tallman & Co. Has Such Faith in This
Dyspepsia Remedy That They
Guarantee It.

One of the greatest successes in the
sale of medicine has been achieved by
Mi-o-na, the standard dyspepsia rem-
edy, and its sale is increasing so rap-
idly that Tallman & Co., the popular
druggists, have hard work to keep a
stock on hand. It is very popular
with bankers, ministers, lawyers and
others whose business or profession
keeps them closely confined, while
those who have brought on indiges-
tion through irregular eating, worry,
or other causes, have found relief in
this reliable remedy.

Mi-o-na comes in tablet form and
is sold in a metal box especially de-
signed for convenience in carrying the
medicine in the pocket or purse.
It is pleasant to take, gives quick re-
lief and should help any case, no mat-
ter of how long a standing. This
remedy has been so uniformly suc-
cessful that Tallman & Co. will in fu-
ture sell Mi-o-na under a positive
guarantee to refund the money if it
should not prove entirely satisfactory.
No other dyspepsia medicine ever
had a large enough percentage of
cures so that it could be sold in this
manner. A guarantee like this speaks
volumes for the merit of the remedy.

There is no time like the present to
do a thing that ought to be done. If
any one has dyspepsia, today is the
best time to begin curing it.
